

NAIOP CENTRAL FLORIDA

# South Orlando

INDUSTRIAL BUS TOUR

FRIDAY, OCT. 20

8:00AM - 12:30PM

Join NAIOP Central Florida as we spend the morning touring South Orlando's premier industrial spaces. On the tour, attendees will have a first-hand experience to learn of the market's newest industrial developments, many of which are recently finished or soon-to-market.

Attendees will receive a comprehensive guidebook containing flyers on each property, in addition to free food and beverages (and other possible surprises) along the way.

The tour will end with a lunch reception at Building 500 of McCraney Property Company's Bent Oak Industrial Park.
