OFFICE WALKING TOUR

THURSDAY, OCT. 19

2:00 - 6:00 PM

Join NAIOP Central Florida as we spend the afternoon touring many of Downtown Orlando's premier office spaces. On the tour, attendees will have a first-hand experience to learn of the market's newest office developments, many of which are recently finished or soon-to-market.

Attendees will receive a comprehensive booklet containing flyers on each property, in addition to free food and beverages (and other possible surprises) along the way.

The tour will end with a reception at Lincoln Plaza featuring food, drinks and more.
