HOW CAN YOU HELP?

Be a Hunger Hero AND join us at our meal packing Hunger Project on November 15th! Without your generous donations and participation, this event would not be possible.

THE HUNGER PROJECT

"Hunger Project" is the official name of FCE events where we work together to package meals. On November 15th, we will bring together all of our heroes and their teams, the young professionals that put this project together, and anyone else that wants to help us pack 40,000 meals! This will be a fun night of networking, team building, and table competitions, as we give back to our community. Networking will begin at 5:30PM with meal packing to follow!

BECOME A HUNGER HERO

A "Hunger Hero" is a person or company that sponsors meals by giving financially to FCE. We have several hero levels that will help us reach our goal AND include your team at our Hunger Project event.
