

## Speaker Series: Economic Checkup

What does Dr.  
Fishkind diagnose  
and prescribe?

When will the next economic correction arrive, what will distinguish it from those of the past, and how will Central Florida be impacted now compared to 2007/08?

Dr. Fishkind will delve into these questions and more.

A 50-year veteran of financial and real estate consulting through the lens of an economist, Fishkind is best known for two local advisory firms he founded in past decades, M.G. Lewis Econometrics in Winter Park and later Fishkind & Associates, Inc.
